

SpEAC Meeting Minutes

April 6, 2017

Dr. David Tate spoke about the success of the Unified Sports Program. The Basketball Team won the Championship and was featured in the Moorestown SUN and honored at last BOE meeting.

Special Services will be monitored next year by the State of NJ to make sure all is up to code. This occurs every other year.

IEP meetings are in full swing and planned and projections are being done for next year.

NCLB Reading program and ESY Summer Program will occur this summer.

Orton-Gillingham intense training for the 2nd level will occur soon for teachers.

Looking into expanding inclusion opportunities for UES students.

PARCC testing accommodations are being looked at. There are very strict guidelines.

High School MD students- 4 will be graduating this year and 3 have secured jobs upon graduation.

We are working on filling the slate for next year: co-chair, secretary, conference chair, treasurer and web site manager.

Looking to add evening meetings next year and secure a meeting place.

Next meeting: 5/11/17 @ 9:30am STAR Center
